NEW POST-SURGERY COMPRESSION GARMENT  
„ALMERIA“

Anita cares.

NEW

Available in two colours  
spring/summer 2025

SOFT

## Compression garment Almeria

1. Inner pockets on both sides allow the insertion of an initial breast form
2. Wide, soft straps are infinitely adjustable for a customised fit
3. Knitted-in side breast support for optimum support
4. Zip with grip and underlaid hook fastener for easier handling when closing

### Indication / Special features

- After breast surgery, during the healing phase – for stabilisation and support
- Seamless compression bandage with **seamless technology**
- Soft material offers high comfort in the post-surgery phase
- Gently cut **racerback** for optimum relief with integrated, breathable zones
